Utah Fast Pass Announces 5th Annual Event

WHEN: Monday, Aug. 2
10 a.m. - 3 p.m. (Event continues Tuesday, Wednesday and Thursday)

WHERE: Miller Motorsports Park
2901 Sheep Lane
Tooele, UT

WHAT: The 5th Annual Utah Fast Pass kicks off at the Miller Sports Park on Monday, August 2, 2010. Utah Fast Pass improves the quality of life in Utah by providing charitable contributions to the Utah Highway Patrol's (UHP) Honoring Heroes Foundation, local community projects, and scholarships for local high school seniors. The Utah Fast Pass event is designed to showcase the rare "super cars of yesterday and today" in a three-day drive on Utah's most scenic roads and one day at the spectacular 4.5-mile Miller Motorsports Park road course.

The participants go through a detailed "Tech" inspection of their cars and can only participate at the sports park if they pass the inspection. Here they will be able to take their cars out on the track and open them up. The cars in this event are impressive. They include Ferraris, Porches, Ford GT's, Lamborghini's, Jaguar's and many others.

After the Miller Sports Park, the group will start a three-day trek to Northern Utah. The event is highly organized, and all participants will be expected to obey all traffic laws along the route. To help insure the safety of the participants, the UHP will be traveling with the group the entire route.

ABOUT: The actual route is a surprise to the participants, and will not be presented to them until the day of the event. This is absolutely NOT a race. There are organized events at specific times all along the route. Those participating will have opportunities to see and enjoy the wonderful things that we have to offer in the state of Utah. This will be a three day tour of Utah and the participants have been generous to donate their time and means to help raise money for many meaningful projects.

The drivers of this event are expected to be courteous and respectful of all traffic laws and other drivers on the highways. The Utah Highway Patrol will also be present to help insure the safety of all parties.

Utah Fast Pass, a charitable drive through Utah. Utah Fast Pass is a 501(c)(3) non-profit organization.
